Mr. Hiring Manager

Dear Mr Hiring Manager

Thank you for taking the time to review my resume. I am writing to express my strong interesse in the Driller position within your esteemed company with intensive and long experience of nine years in the petroleum engineering and drilling operations Iam confident that I can be an asset to your teamwork .

equipped with all the necessary techniques and skills as professional driller over long years of hard work, I succeeded in solving complex problems and providing the most effective solutions .

what excites me in your company is the technology of drilling and its advancing sustainable energy solutions.

I hope you will find that I am qualified for the position you are trying to fill. Please let me know, If I can provide you with any further information on my background and qualifications. I appreciate your taking the time to review my credentials and experience.

Again, thank you for your consideration.

Sincerely,

Adel HEDED
